If the same kind of work is done by both the Sanskrit & Kannada Pandits, why should not the pay of Kannada Pandit be reduced to the level of that of Junior Sanskrit Pandit or that of Senior Sanskrit Pandit reduced to that of the level of Senior Kannada Pandit ~~from the financial point of view, there is perhaps the present not much distinction b/w the two~~. From the financial point of view the existing scale of Pandits (on 45-9-60 2 on 30-9-45 & 1 on 20-2-30 is suitable providing for a reasonable flow of promotion & the standing of a junior on a smaller pay than others & the proposal to raise the pay of the last Pandit also to 30-9-45 cannot be ~~accepted~~ agreed to

8 On the whole it seems more advantageous to have a common scale both for Kannada and Sanskrit Pandits in the ~~Training~~ Training College and fix the numbers as follows: —

2 on 30-3-45
1 on 20-2-30

17 I do not know if in the statement appended to Government Order dated 1st July 1914 showing the scale of establishment of the Government - - Training College, Mysore, there has not been a mistake as regards the pays of the junior Sanskrit and Kannada Pandits and the pay which should have been shown against the junior Sanskrit Pandit has by oversight been shown against the junior Kannada Pandit, and vice versa.

The statement is a true copy of the statement attached to the G. O. [illegible] letter. It is not possible to say whether there is any such error as mentioned. The requirements of the case will be met by the revision suggested by the Inspector through [illegible] the Kannada Pandit will have a grievance.

18 The Senior Arabic Moulvi and the Senior Sanskrit Pandit get more pay than the Senior Kannada Pandit and the Senior Persian Moulvi. The rates of pay of the two former are equal and so also the rates of pay of the two latter. It follows by analogy that the Junior Arabic Moulvi and Sanskrit Pandit should get more pay than the Junior Kannada Pandit and Junior Persian Moulvi and that the pay of the two former should be the same and so also the pay of the two latter. The

pay of the Junior Arabic Moulvi is 30-3-45 and so the pay of the Junior Sanskrit Pandit also should be - - 30-3-45. The pay of the Junior Persian Moulvi is - 20-2-30 and so, the pay of the Junior Kannada Pandit should also be 20-2-30. Further it could not have been intended to give pay at the same rate to both the Senior Kannada Pandit and the Junior Kannada Pandit. In the order in which the names appear, the name of the Senior Kannada Pandit appears below that of the Senior Sanskrit Pandit but this order is reversed in the case of the Junior Sanskrit and Kannada Pandits and it seems not unlikely that thereby a mistake crept in as regards the rates of pay of the two - - latter.

19 If there has been really a mistake as pointed out above and the pay of the Junior Sanskrit Pandit should be 30-3-45 and that of the Junior Kannada - Pandit 20-2-30, the mistake may be rectified. The Junior Sanskrit Pandit Thirunarana Iyengar will in that case get the pay which the Inspector-General of Education recommends for him and there will be no necessity to incur any additional expenditure.

SIR,

With reference to Government Order No.2455-6/Edn.31-14-14 dated 27th November 1915 stating that they are unable to sanction the alteration of the scale of pay of the Junior Sanskrit Pandit of the Training College, Mysore from Rs.20-2-30 to Rs.30-3-45 and of the Junior Kannada Pandit from Rs.30-3-45 to Rs.20-2-30, I have the honour to inform you that while making the recommendations for the reorganization of the Training College, it was my intention to provide higher grades for both the Junior Kannada and the Junior Sanskrit Pandits. But by oversight the name of the Sanskrit Pandit was omitted in the recommendation. But after the proposals were sanctioned, the omission was found out, and the Sanskrit Pandit who was senior, was given the grade of Rs.30-3-45 and the Kannada Pandit's name was noted for promotion to the next higher grade in connection with the general revision of the scales of pay of Pandits and Munshis, which is under consideration. Now that Government have not been pleased to alter the scale of pay of the Junior Sanskrit Pandit from Rs.20-2-30 to Rs.30-3-45, I recommend that the pay of the Junior Sanskrit Pandit also may be kindly raised to Rs.30-3-45, so that both the Pandits may be, promoted to the higher grade.

grade. Till orders of Government are received, the promotion of the Junior Kannada Pandit will be kept in abeyance. I am strongly of opinion that it is not in the interests of the work of the school to withhold promotion from the Junior Sanskrit Pandit who does equally higher work and is entitled to claim the same consideration as is to be shewn to the Kannada Junior Pandit.

I have the honour to be,

Sir,

Your most obedient servant,

K. Shama Rao,

Inspector General.
